

1900-E1 TITLE I PARENTAL INVOLVEMENT PARENT AND FAMILY ENGAGEMENT - SCHOOL LEVEL APPROACH

The Enlarged City School District of Troy recognizes that parents and family members play an integral role in assisting their child's learning. We encourage parents and family members to be actively involved in their child's education at school and to become full partners in school educational planning and operations. Consistent with the parent involvement goals of Title I, Part A of the federal Elementary and Secondary Education Act, reauthorized by the No Child Left Behind Act of 2001 (NCLB) and the Every Student Succeeds Act of 2015 (ESSA):

1. The Building Principal and appropriate staff shall convene an annual meeting, at a convenient time, to inform parents of the school's participation in Title I programs, and to explain Title I requirements and the right of the parents to be involved. All parents of children participating in a Title I program will be invited to the meeting.
2. The school staff shall offer a flexible number of meetings to provide parents the opportunity to meet with school staff and otherwise participate in their child's education. These meetings shall be held at flexible times (e.g., morning or evening) and/or in highly accessible places such as public housing projects, etc.
3. The school will provide parents with timely information about Title I programs. School staff will also describe and explain the curriculum in use at the school, the types of academic assessment that will be used to measure student progress and the proficiency levels the students are expected to meet. Parents may also request regular meetings with school staff to make suggestions and to participate, as appropriate, in decisions relating to the education of their child. The school will respond to any such suggestions as soon as practical.
4. The school staff shall involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of Title I programs, including the planning, review, and improvement of the school's parent and family engagement policy.

Student Academic Achievement School-Parent Compact

Neither schools nor parents alone can ensure the educational success of the child. It takes working together towards this common goal to bring about the success we desire. In a society comprised of increasingly diverse family structures with many demands placed on them, schools need to become even more sensitive to family needs. To meet this goal, each Title I school will have in place a school-parent compact which outlines how parents, the entire school staff, and students will share the responsibility for improved student achievement and how the school and parent will build and develop a partnership to help children achieve the state's high standards.

To help our children achieve, we agree to abide by the following conditions:

School Responsibilities

The school will:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment;

- Hold parent-teacher conferences during these conferences, this compact will be discussed as it relates to your child's academic achievement;
- Provide parents with frequent reports on their child's progress;
- Provide parents reasonable access to staff; and
- Provide parents with opportunities to volunteer and participate in their child's class and to observe classroom activities.
- Ensure regular two-way, meaningful communication between parents and family members and school staff, and, to the extent practicable, in a language that the parents and family members can understand

Parents' Responsibilities

We, as parents, will support our children's learning in the following ways:

- *Monitor my child's attendance;*
- *Make sure that homework is completed;*
- *Limit amount of television my child watches;*
- Volunteer in my child's school;
- Participate in decisions regarding my children's education;
- Promote positive use of my child's extracurricular time; and
- Stay informed about my child's education and communicate with the school regularly.

Student Responsibilities

As a student, I will share the responsibility to improve my grades, and agree to:

- Do homework every day and ask for help when needed;
- Read at least 20 minutes a day outside of school; and
- Give to my parents all notices and information received by me from my school every day.
