1. SEQRA Lead Agency - New Technology Wing

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law of the State of New York, as amended, and the regulations of the Department of Environmental Conservation of the State of New York promulgated thereunder (collectively referred to hereinafter as "SEQRA"), the Enlarged City School District of Troy (the "District") is required to make a determination whether the "action" (as said quoted term is defined in SEQRA) to be taken by the District may have a "significant impact on the environment" (as said quoted term is utilized in SEQRA) and the Project (as defined below) constitutes such an action; and

WHEREAS, on October 16, 2019 the Board of Education made a determination that a certain proposed capital project which included the renovation of the existing Troy High School Technology Wing would not have a "significant impact on the environment" (as said quoted term is utilized in SEQRA); and

WHEREAS, the Board of Education has determined that the scope of work that formed the basis of the Original SEQRA Resolution with respect to the Technology Wing is not feasible and the revised scope of work for the Technology portion of the Project (as defined in the Original SEQRA Resolution) now consists of (A) the demolition of the existing 29,0000 +/- square foot Troy High School Technology Wing, (B) and the

construction of an approximately 28,000 +/- square foot addition to Troy High School to house a new Technology Wing and related site work, including but not limited to asbestos abatement, infrastructure, mechanical, electrical and plumbing upgrades, technology renovations, site upgrades including drainage improvements, pavement reconstruction and walkway replacements, and the acquisition of original furnishings, equipment, machinery or apparatus required for the purpose for which such buildings, facilities and sites are to be used (the “Tech Wing Project”); and

WHEREAS, to aid the District in determining whether undertaking the Tech Wing Project may have a significant impact upon the environment, the District has prepared a short Environmental Assessment Forms (the “EAF”) with respect to the Tech Wing Project, a copy of which is attached hereto as Exhibit A, with a copy of the EAF on file at the office of the District; and

WHEREAS, the District has examined the EAF in order to classify the Tech Wing Project; and

WHEREAS, the District has undertaken a coordinated SEQRA review of the Tech Wing Project; and

WHEREAS, as a result of its careful review and examination of the Tech Wing Project and associated documentation, the Board finds that, on balance and after careful consideration of all relevant documentation, it has adequate information to evaluate all of the relevant benefits and potential impacts; and

WHEREAS, the voters of the District have not yet been asked to approve the Tech Wing Project;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE DISTRICT AS FOLLOWS:

Section 1. Based upon an examination of the EAF for the Tech Wing Project, the criteria contained in 6 NYCRR §617.7(c), and based further upon the District’s knowledge of the Tech Wing Project and the area surrounding the Tech Wing Project site, and such further investigation of the Tech Wing Project and its environmental impacts as the District has deemed appropriate, the District makes the following findings and determinations with respect to the Tech Wing Project pursuant to SEQRA.

- (A) The Tech Wing Project consists of the components described above in the first WHEREAS clause of this resolution; and
- (B) The Tech Wing Project constitutes an “Unlisted Action” (as said quoted term is defined in SEQRA); and
- (C) As a consequence of the foregoing, the District hereby declares its intent to act as “Lead Agency” (as said term is defined in SEQRA) with respect to a coordinated agency review of the Tech Wing Project pursuant to SEQRA; and
- (D) The District’s bond counsel shall arrange for distribution of its notice of intent to be “Lead Agency” and is hereby authorized to take such actions as are necessary and appropriate to assist the District in fulfilling the requirements under SEQRA for the Project.
- (E) Copies of said EAF shall be maintained in the main office of the District in a file that will be readily accessible to the public.

Section 2. This resolution shall take effect immediately upon its adoption.
