

TROY HIGH SCHOOL

FALL NEWSLETTER

2024

PRINCIPAL'S MESSAGE

Dear Parent(s)/Guardian(s):

It has been a great start to the school year. Our faculty, staff, and students hit the ground running, and we are so proud of the enthusiasm and positive energy to begin the year. Our students and teachers are working diligently each day, and we greatly appreciate the support you provide in ensuring your child arrives to school ready to learn each day.

By now, students should be well-acquainted with our school's expectations, daily routines, and their teachers' expectations. To maintain a safe and respectful school environment, we ask you to review our Code of Conduct with your child. Our Code of Conduct is designed to support the success and well-being of all our students. The link to the Code can be found below.

I am happy to report that our new cellphone-free policy has had a transformative impact on our school community. We have observed an increase in face-to-face interactions among students and faculty, as well as higher levels of engagement and participation in the classroom. Our hallways are now filled with laughter and conversation, fostering a more connected and vibrant school atmosphere. Thank you for your continued support with this policy.

As a reminder, we utilize two platforms to maintain consistent and open communication between school and home. You can access all of your child's progress through Parent Portal on our eSchoolData site and communicate with any faculty or staff member through ParentSquare. We encourage you to access both of these platforms regularly. Information regarding both can be found below. In addition, you are always welcome to call or come in as often as necessary to address concerns with teachers, counselors, and grade-level administrators to ensure your child's success.

Please join us for our upcoming Parent Conferences on November 14th from 5-8 PM and November 15th from 1-3 PM. This is an excellent opportunity to review your child's report card and discuss his/her progress with teachers and school counselors. We are deeply grateful for your continued partnership in your child's education. Together, let's ensure a positive and successful school year.

Joshua Monk
Executive Principal

2024-2025 Code of Conduct

HOW YONDR WORKS

STUDENT PHONE POLICY & GUIDELINES

Phones are not to be used during school. Every student is assigned a personal Yondr Pouch. While the Yondr Pouch is considered school property, it is each student's responsibility to bring their Pouch with them to school every day and keep it in good working condition.

*Students arriving late will be required to place their phone/smartwatch/earbuds in their pouch upon entry to the building at any time.

*Students leaving early at any time during the day will unlock their pouch as they exit the building, prior to going to the locker room for sports and/or any after-school activities.

DAILY PROCESS

As students arrive to school, they will:

1. Turn their phone off.
2. Place their phone, smartwatch/earbuds inside their pouch and secure it in front of school staff.
3. Be responsible for carrying or storing their pouch.

POUCH DAMAGE

Students will ultimately be responsible for the care of their Yondr pouch. If a student intentionally damages the pouch they will be responsible for replacement. Until the replacement fee is paid, their phone/smartwatch/earbuds will be collected in the morning and remain in the main office for the duration of the school day.

FORGOTTEN POUCH/LOST POUCH

If a student forgets or loses their Pouch, their phone/smartwatch/earbuds will be collected and Admin will call home to remind the Parent of the policy. The phone will be returned to the student at dismissal. If the pouch is lost, the student will be required to pay a fee and will then receive a replacement.

EXIT PROCESS

As students exit school, they will:

1. Open their pouch
2. Remove their phone/smartwatch/earbuds and put their pouch in their backpack.
3. Students must bring their pouch to school with them each day.

PHONE VIOLATION DISCIPLINARY ACTIONS

Failure to comply with the district's cell phone policy will result in:

1st Offense:

- Admin confiscates phone for the day
- Parent Pick up and Meeting with grade-level administrator

2nd Offense:

- Admin confiscates phone for the day
- Parent Pick up
- In School Suspension
- Student hands in phone to administration every morning for 30 calendar days. Additional consequences deemed by District Code of Conduct.

3rd Offense:

- Additional consequences deemed by District Code of Conduct.
- Out of School Suspension for Insubordination

*Length of time will be increased after any further violations

*Refusal to hand over the phone will be treated as insubordination and consequences will be given according to the District Code of Conduct

For lost/damaged/stolen pouches there is a replacement fee of \$30.

Students will be required to turn in the phone to the main office upon arrival for 30 calendar days.

HEALTH OFFICE NEWS

REGISTRATION:

All registration must be done at Central Registration. No student may see the nurse until this is completed and the Health Office has confirmation from Central Registration that the student is cleared to continue the registration process.

INJURIES AT SCHOOL (SPORT AND NON-SPORT):

In case of serious injury, parents are contacted immediately so the student is under the care of a physician as soon as possible. Parents should notify the Health Office of any unreported injuries occurring during school hours. All sports injuries must be reported to the Health Office no later than the morning after the accident. All sports injuries must be cleared by the school physician before the student can return to sport. Coaches must receive clearance from the Health Office before the student may return to sports.

CHANGES TO THE NYS HEALTH EXAMINATION REQUIREMENTS:

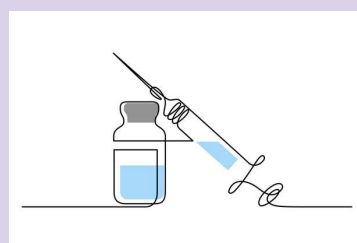

New York State requires the following Health assessments for High School Students:

- Physicals – All newly entering students and students in Grades 9 & 11
- Vision & Hearing – All newly entering students and students in Grade 11
- Scoliosis – All boys Grade 9

STUDENTS ENTERING 12TH GRADE:

Students entering 12th grade must have either:

- 2 doses of meningococcal vaccine with the booster dose given on or after age 16
- 1 dose if your child's first dose was given on or after age 16

SPORTS:

Students wishing to participate in sports for the winter or spring season should hand in a completed sport approval packet for each season they participate in. The packet should be filled out and returned within the 30 day period leading up to the first day of tryouts date. Students should check that they have an updated physical on file in the health office to make sure there is an updated physical on file for them before each season. If students wish to participate in certain sports, and a vision screening is not done at the time of their physical or handed in separately, a vision screening will be done in the Health Office in order for the student to be cleared for sport.

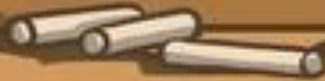

SCHOOL INSURANCE:

Philadelphia Insurance Companies is an insurance which covers school activities, physical education classes, interscholastic and intramural sports. It is an excess coverage policy. The policy will pay only after the parent's insurance has been used. It is of utmost importance that the Health Office be notified as soon as possible of any school related injury so that the appropriate insurance forms are completed.

CAREER AND TECHNOLOGY EDUCATION

Intro to Business -Mr. O'Keefe and Mr. Icso

Fantasy Stock Market Challenge has begun in Mr. Icso and Mr. O'Keefe's classrooms. The students have been issued \$100,000 using a real-time stock market simulation on a website called HowTheMarketWorks. We refer to it as HTMW which has various lesson plans and assignments from what is a mutual fund to how much do you need to save per month to become a millionaire at different investment return rates. The kids really seem to enjoy financial literacy education and are engaged because of the real world applications. They are starting to connect current events and the relationship to the stock market. For example, Hurricane Milton will have adverse effects on insurance companies but will boost profits eventually in Home Depot, Lowes or Energizer Battery. The students have rankings and compete for who will have the biggest return on investment. Below is a screenshot of HTMW.

WORD OF THE DAY!			
NASDAQ			
The second-largest stock exchange in the United States. NASDAQ is known for having more technology-related companies than the NYSE. It was formed in 1971 through the merger of several smaller stock exchanges, and now is also the parent company of several international exchanges.

Mr. Martin's Technology Courses:

DDP students are currently finishing up their 2D technical drawing unit where they learned how to use drawing tools to draw machine parts and geometric patterns. We will soon be moving on to 3D drawing using Orthographic and Isometric techniques.

Mr. Martin's Architectural Drawing students are working on a full set of drawings for a basic house. Drawings include Plot Plan, Foundation Plan/detail, and Wall/Roof Detail.

Principles of Engineering students started the year studying the various engineering fields and the Engineering Design Process. They have recently completed a project designing and building a device that travels the length of the room suspended on a string.

Mr. Wolff, Mr. Riehlman and Ms. Walther's Technology Courses

In Intro to Trades, students are starting to learn using different tools and machines to complete their first project; a Cut Out Design of their choice using Pine wood and the saws/bandsaws.

In Intro to Modern Technology, students are getting started experimenting with drones! We will be flying drones throughout the First and Second Quarters, teaching students how the drones fly and how they can code the drones to do what the students want.

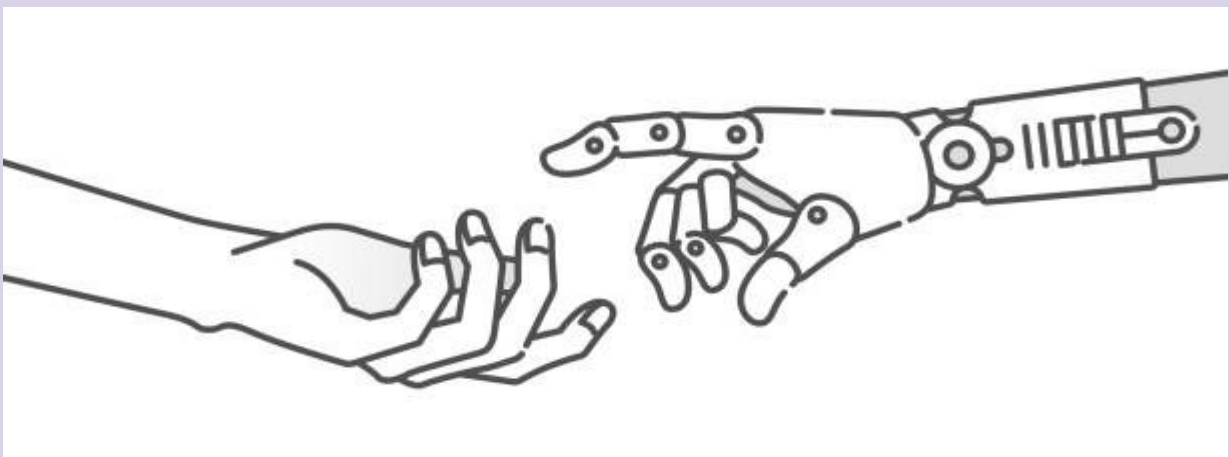

Graphic Design- Mr. Kemp

Students in Mr. Kemp's Graphic Design class are working on a study of Andy Warhol's Pop Art

Robotics Club-Mr. Wolff

Students are starting to come together for the Robotics Club, meeting after school and brainstorming ideas for what a new robot might look like this year and how we are going to build it. They are also starting to raise money so the club can compete at the Robotics Competition in March 2025. The students are excited to get going on the Robotics Season!

MASTERMINDS

The Troy Masterminds Team won the CNY Fall Kickoff for the second year in a row on Saturday 9/28 in Syracuse. The team was represented by Demetrios Skordas and Jiarui Xiao and went 5-1 in the seeding games for the playoffs, before going a perfect 4-0 in the playoffs to take first place, winning the final game against Ithaca by a score of 350 to 170. With this victory, the team has once again qualified for the High School National Championship Tournament in Atlanta, which will be held over memorial day weekend.

Additionally, Demetrios was received a special award for being the top individual scorer in the entire tournament field and was also recognized as NAQT's HS player of the week.

Student Council News

Student Council will be hosting a Trunk or Treat for all TCSD elementary students on Sunday, October 27th from 1-3 pm in the Troy High Schools front parking lot.

Troy high student council has been off to a busy start! Right as we got back to school this year preparations for homecoming began. Homecoming weekend was September 27 and 28th. On Friday the 27th, the senior Homecoming Court was escorted onto the track. The 6 members of the court were: Taylor Case, Brianna Garcia- Perez, Hadeel Hamed, Sarah Kenna, Nora Miller and Rosie Sanchez. The Queen from the class of 2024, Maia Rua, came back to crown our new Queen Taylor Case.

Congratulations to Taylor!

Homecoming Court

On Saturday October 28th the Homecoming Dance was held in the gymnasium from 7-10 pm. The Junior Homecoming candidates were "Tapped" by the senior class Homecoming court. The following 6 girls were tapped and they will represent the Class of 2026 for Homecoming Court. Congratulations to: Marianna Alarcon, Jada Amey, Hailey Guerin, Mia Magnetto, Tatyanna Oliver, and Madison Schmidt.

We Can.
We Will.
End of Story.
